19. Examination of Bids and Determination of Responsiveness

19.1 Prior to the detailed evaluation of bids, using the information provided in Envelope 1, the Employer will determine whether each Bid (a) is accompanied by the required securities (if requested); and (b) is substantially responsive to the requirements of the bidding documents.

19.2 A substantially responsive Bid is one which conforms to all the terms, conditions, and Employer’s Requirements of the bidding documents, without material deviation or reservation. A material deviation or reservation is one (a) which affects in any substantial way the scope, quality, or performance of the Services; (b) which limits in any substantial way, inconsistent with the bidding documents, the Employer’s rights or
the Bidder’s obligations under the Contract; or (c) whose rectification would affect unfairly the competitive position of other bidders presenting substantially responsive bids.

19.3 If a Bid is not substantially responsive, it will be rejected by the Employer, and may not subsequently be made responsive by correction or withdrawal of the nonconforming deviation or reservation.

20 Evaluation of Qualification and Experience

20.1 The Employer will evaluate and compare only the Bids determined to be substantially responsive in accordance with Clause 19.

20.2 A two-stage procedure will be adopted in detailed evaluation of substantial responsive Bids. The evaluation of qualifications and experience will be completed prior to any financial bid being opened. The Employer evaluates the Envelope 1 – Qualification and Experience on the basis of their responsiveness to the Employer’s Requirements, applying the evaluation criteria, and point system specified in Sub-Clause 20.3.

20.3 During the evaluation of Envelope 1 for qualification and experience, the Employer will determine whether the Bidders are qualified and whether work plan and methodology are substantially responsive to the requirements set forth in the Bidding Document. In order to reach such a determination, the Employer will examine the information supplied by the Bidders, and other requirements in the Bidding Document, taking into account the factors and point system outlined in the Bidding Data:

20.4 Each substantial responsive bid will be given a score as described under sub-clause 20.3. A Bid shall be rejected at this stage if it does not respond to important aspects of the Employer’s Requirements or if it fails to achieve an overall minimum of 70 points together with the minimum given against each criterion.

21 Evaluation of Financial Bid

21.1 After the evaluation of Envelope 1 is completed, the Employer shall notify those Bidders whose qualification and experience did not meet the minimum qualifying marks or were considered nonresponsive to the Employer’s Requirements, indicating that their envelope marked ‘Envelope 2 – Financial Bid’ will be returned unopened after completing the selection process. The Employer shall simultaneously notify the Bidders that have secured the minimum qualifying marks, indicating the date and time set for opening the envelope marked ‘Envelope 2 - Financial Bid’. The notification may be sent by registered letter, or facsimile.

21.2 The Envelope 2 shall be opened publicly in the presence of the Bidders’ representatives who choose to attend. The name of the bidder, the Bid prices together with any discounts offered shall be read aloud and recorded when the envelopes marked ‘Envelope 2 – Financial Bid’ are opened.

21.3 Before evaluating the Financial Bid, the Employer will determine whether the Bid is signed properly. If the Bid is not signed properly it will be rejected at this stage.
21.4 In evaluating the Financial Bid, the Employer will determine for each Bid the Evaluated Bid Price by adjusting the Bid Price as follows:
   a) excluding Provisional Sums and the provision, if any;
   b) correcting the arithmetical errors in-pursuant to Clause 22.
   c) making an appropriate adjustment on sound technical and/or financial grounds for any other quantifiable acceptable variations, deviations or alternative offers.
   d) applying any discounts offered by the Bidder.

21.5 The Employer reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, alternative offers, and other factors that are in excess of the requirements of the Bidding document shall not be taken into account in Bid evaluation.

22. Correction of Errors

22.1 Bids determined to be substantially responsive will be checked by the Employer for any arithmetic errors. Arithmetical errors will be rectified by the Employer on the following basis: if there is a discrepancy between unit prices and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail, and the total price shall be corrected; if there is a discrepancy between the amounts in figures and in words, the amount in words will prevail.

22.2 The amount stated in the Bid will be adjusted by the Employer in accordance with the above procedure for the correction of errors and, with the concurrence of the Bidder, shall be considered as binding upon the Bidder. If the Bidder does not accept the corrected amount, the Bid will be rejected, and the Bid Security may be forfeited in accordance with Sub-Clause 12.5.

F. Award of Contract

23. Award Criteria

23.1 Subject to Clause 24, the Employer will award the Contract to the Bidder whose Bid has been determined to be substantially responsive to the bidding documents and who has offered the lowest evaluated Bid price.

24. Employer’s Right to Accept any Bid and to Reject any or all Bids

24.1 Notwithstanding Clause 23, the Employer reserves the right to accept or reject any Bid, and to cancel the bidding process and reject all bids, at any time prior to the award of Contract, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for the Employer’s action.

25. Notification of Award and Signing of Agreement

25.1 The Bidder whose Bid has been accepted will be notified in writing, of the award by the Employer prior to expiration of the Bid validity period. This letter (hereinafter and in the Conditions of Contract called the “Letter of Acceptance”) will state the sum that the Employer will pay the Service Provider in consideration of the Services provided by the Service provider.
as prescribed by the Contract (hereinafter and in the Contract called the “Contract Price”).

25.2 The notification of award will constitute the formation of the Contract.

25.3 The Contract, in the form provided in the bidding documents, will incorporate all agreements between the Employer and the successful Bidder.

26. Performance Security

26.1 If requested in the Bidding Data, within 14 days after receipt of the Letter of Acceptance, the successful Bidder shall deliver to the Employer a Performance Security in the amount and in the form (Bank Guarantee and/or Performance Bond) stipulated in the Bidding Data, denominated in the type and proportions of currencies in the Letter of Acceptance and in accordance with the General Conditions of Contract.

Section VI. Employer’s Requirements and Drawings
(Describe Outputs and Performances, rather than Inputs, wherever possible)

A set of precise and clear Employer’s Requirements is a prerequisite for bidders to respond realistically and competitively to the requirements of the Employer without qualifyng or conditioning their bids. In the competitive bidding, the Employer’s Requirements must be drafted to permit the widest possible competition and, at the same time, present a clear statement of the required standards of Services to be procured.

Samples of Employer’s Requirements from previous similar assignments are useful in this respect. There is no standard set of Employer’s Requirements for universal application.

Care must be taken in drafting Employer’s Requirements to ensure that they are not restrictive.

These Notes for Preparing Employer’s Requirements are intended only as information for the Employer or the person drafting the bidding documents. They should not be included in the final documents.
Section VII. Activity Schedule

Notes on the Activity Schedule

Objectives

The objectives of the Activity Schedule are

(a) to provide sufficient information on the quantities and nature of Services to be performed to enable bids to be prepared efficiently and accurately; and

(b) when a Contract has been entered into, to provide a priced Activity Schedule for use in the periodic valuation of Services executed.

In order to attain these objectives, Services should be itemized in the Activity Schedule in sufficient detail to distinguish between the different classes of Services, or between Services of the same nature carried out in different locations or in other circumstances which may give rise to different considerations of cost. Consistent with these requirements, the layout and content of the Activity Schedule should be as simple and brief as possible.

These Notes for Preparing an Activity Schedule are intended only as information for the Employer or the person drafting the bidding documents. They should not be included in the final documents.
