### **Annual Performance Report for the year 2024**

#### **Comptroller General's Office**

#### **Expenditure Head No 333**

#### **Chapter 01 – Institutional Profile/ Executive Summary**

#### 1.1 Introduction:

The Comptroller General's Office was established on 07<sup>th</sup> March 2017 for the management of Non-Financial Assets of the Government, as stipulated in the 2017 Budget Proposal. Hence, it is required to maintain an updated comprehensive central data base for the Non-Financial Assets of the Public Institutions (Government Agencies, Public Enterprises and Provincial Councils & Local Governments) and to formulate and implement the Non-Financial Assets management policies, identifying idle resources and ensuring effective use of these assets, to strengthen the development framework of the Government. The Non-Financial Assets management of the Government has become a priority activity, as the productive use of such assets have been deteriorated due to the lack of a focused agency to adhere to an effective system to oversee the efficient utilization of assets, secure assets adequately and for the maintenance and improvement of assets.

To facilitate the smooth functioning of the Non-Financial Assets management of the Government, by issuing the Assets Management Circular No. 06/2023, the web-based Non-Financial Assets Management System (NFMAS), implementing its first module (vehicle module), was established with effect from 01<sup>st</sup> September 2023. Through this system, a web-based centralized comprehensive real time data recording Management Information System is established, which consists of essential information including assets valuation required for the Non-Financial Assets management. The design, software development, implementation, improvement and maintenance of NFAMS system is done by the Comptroller General's office and the Department of Information Technology Management, without incurring an additional cost to the Government. The other modules in NFAMS will be implemented gradually, in due course. Further, the Comptroller General as the Revenue Accounting Officer, necessary action has been taken to collect due the revenue from sale of capital assets of the Government Agencies.

In order to ensure the proper management of Non-Financial Assets of the Government, action is being taken to enact the Public Assets Management Law.

#### 1.2 Vision and Mission

#### (a) Vision:

A globally recognized apex body for public sector Non-Financial Assets management.

#### (b) Mission:

Foster effective and efficient utilization and management of Public Sector Non-Financial Assets recorded in an updated comprehensive central database, adhering to the Government policies, while strengthening the development framework of the Government and securing the collection of due revenue from disposal of these assets.

#### 1.3 Objectives, Key Functions and Main Activities

#### (A) Objectives:

- (i) Non-Financial Assets management of the Government (Government Agencies, Public Enterprises and Provincial Councils & Local Governments):
  - a. Establish an updated comprehensive central database (with the online system) to record all Non-Financial assets and an asset management system.
  - b. Formulation and implementation of policies to strengthen the development framework of the Government through effective and efficient use of the Non-Financial Assets.
  - c. Ensure the accuracy of recording of the value of the Non-Financial Assets.
  - d. Play the leadership and custodianship role in the management of Non Financial Assets.
- (ii) Collection of due revenue from the sale of capital assets of the Government Agencies.

#### (B) Key Functions:

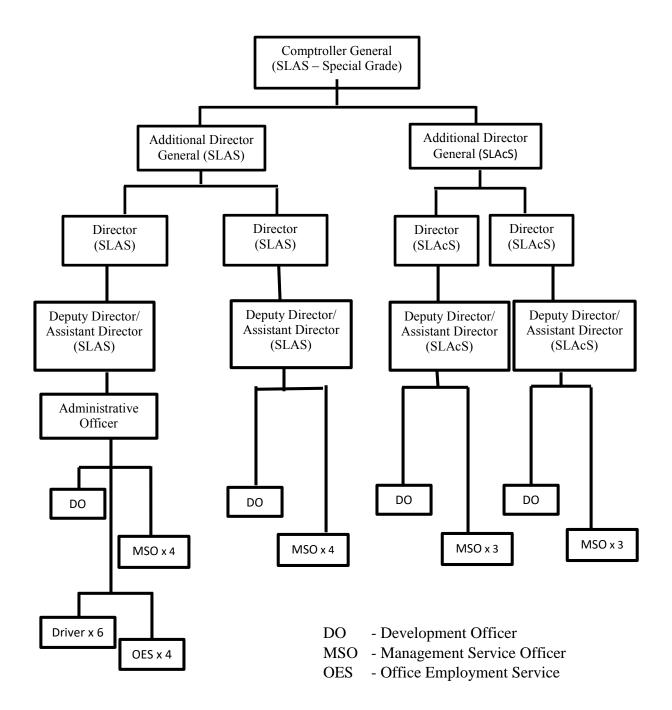

- (i) Non-Financial Assets management of the Government
  - a. Maintaining an updated comprehensive central data base (with the online system) for recording and reporting of all Non-Financial Assets information (enabling to record assets with valuation) and an asset management system.

- Formulation and implementation of policies to prevent mismanagement,
   waste and ruination of public properties, for the optimum utilization of
   Non-Financial Assets and expenditure management.
- (ii) Functioning as the Revenue Accounting Officer for sale of capital assets of the Government Agencies.

#### (C) Main Activities:

- a. Creation and maintaining an updated comprehensive central database (with the online system)) of all Non-Financial Assets of the Government and an asset management system.
- b. Submission of Cabinet Memorandums and issuing circulars for formulation and implementation of policies and regulations.
- c. Provide necessary guidance for the acquisition, maintenance and disposal of Non-Financial Assets of the Government.
- d. Improve the awareness on management of Non Financial Assets of the Government and introduction of best practices for the productive use of these assets.
- e. Provide management information for decision making of the Government.
- f. Settle the legal ownership issues of vehicles use by the Public Institutions.
- g. Allocation of Non-Financial Assets to fulfil the requirements of the Public Institutions.
- h. Provide recommendations for purchase of vehicles by the Government Agencies and Provincial Councils & Local Governments.
- i. Identification of idle / underutilized assets and submission of relevant information / issuing directives and instructions, to assist the investments and fiscal balance.
- j. Collection and reporting of revenue from sale of capital assets of the Government Agencies.

### 1.4 Organization Chart

#### **Chapter 02 - Progress and Future Outlook**

To ensure the management of the Non - Financial Assets of the Government, it is required to maintain an updated comprehensive central data base for these assets and to formulate and implement Non - Financial Assets management policies, identifying idle resources and ensuring effective use of these assets, to strengthen the development framework of the Government.

# 2.1 Maintaining an updated comprehensive centralized database for the Non – Financial Assets of the Government

As the first step, following the asset codes categorization given in the Government Finance Statistic Manual – 2014 of the International Monitory Fund, Assets Management Circular No. 01/2017 was issued on 28<sup>th</sup> June 2017 to provide instructions to collect the basic information of Non – Financial Assets of the Government, i.e., vehicles, buildings, land, structures, plant & machinery and office equipment & furniture.

# (a) Establishing a comprehensive centralized web-based database and Management Information System

Action has been taken to establish a web-based centralized comprehensive real time data recording Management Information System by the Comptroller General's Office with the cooperation of the Information Technology Management Department, because efforts made to establish a comprehensive centralized online database and management system for the management of the Non-Financial Assets of the Government through the Integrated Treasury Operations Information System (ITMIS) was not successful. Accordingly, the web-based Non-Financial Assets Management System (NFAMS) has been established with effect from 01st September 2023 by issuing the Assets Management Circular No 06/2023. Through this Management Information System, it is expected to enhance the management of the Non-Financial Assets of the Government and to improve the accountability on recording and reporting of information of these assets. Further, through this NFAMS system, each Public Institution will be facilitated to maintain their assets registry in a web-based platform and for the management of these assets. As the first step of this NFAMS system, vehicle module has been implemented with effect from 01st September 2023. The software development of structure module is being done and NFAMS modules for other Non-Financial assets will be introduced gradually.

#### (b) Central Database - Vehicles

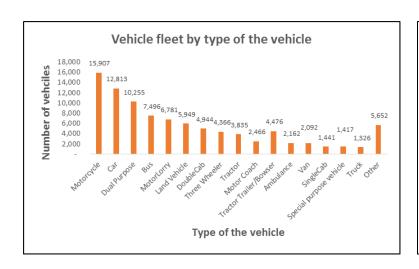

As recorded as at 30<sup>th</sup> May 2025 under the web - based real time data recording Non-Financial Assets Management System (NFAMS) introduced with effect from 01<sup>st</sup> September 2023 by issuing the Assets Management Circular No 06/2023, total number of vehicles owned / used by the Public Institutions amounts 93,378 (89,420 in running condition and 3,958 not in running condition). This vehicle fleet also includes vehicles such as vehicles use in construction industry, boats and land vehicle etc., which are not registered under Department of Motor Traffic. The analysis of this vehicle fleet by the age and the type of the vehicle is as given below:

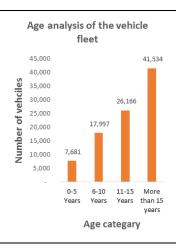

Table 2.1 : Age analysis of the vehicle fleet of the Governmet - as at 30.05.2025

Type of Vehicle*	0-5 Years	6-10 Years	11-15 Years	More than 15 years	Total
Motorcycle	752	4,135	4,382	6,638	15,907
Car	717	1,962	4,852	5,282	12,813
Dual Purpose	246	1,668	2,662	5,679	10,255
Bus	565	1,095	2,848	2,988	7,496
MotorLorry	284	1,449	1,335	3,713	6,781
Land Vehicle	199	987	1,571	3,192	5,949
DoubleCab	168	1,001	1,519	2,256	4,944
Three Wheeler	2,031	422	745	1,168	4,366
Tractor	358	512	1,178	1,787	3,835
Motor Coach	43	397	738	1,288	2,466
Tractor Trailer/Bowser	901	687	1,086	1,802	4,476
Ambulance	154	680	444	884	2,162
Van	90	563	572	867	2,092
SingleCab	80	453	404	504	1,441
Special purpose vehicle	177	692	297	251	1,417
Truck	272	126	401	527	1,326
Other	644	1,168	1,132	2,708	5,652
Total	7,681	17,997	26,166	41,534	93,378

\*The type of the vehilce (except other) is based on the categorization given in the vehicel Certifiacte of Registration issued by the Department of Motor Traffic and the luxury category vehicles mentioned in the Assets Manaagement Circualr No. 05/2024 is included in Car, Dual Purpose and Other categories.

Source: Comptroller General's Office

#### (c) Central Database - Buildings

The Asset Management Circular No. 01/2022 was issued on 03<sup>rd</sup> January 2022 to collect the information to complete the creation of building database. Accordingly, as reported as of 31<sup>st</sup> December, 2021, summary of information on buildings owned or rented/leased by the Public Institutions including premises rented out is as given in Table 2.2. As such, as at 31<sup>st</sup> December 2021, the utilized floor area of the buildings owned by the Public Institutions amounted to 57.1 Mn. square meters and the rented /leased floor area amounted to 2.9 Mn. square meters with annual rent/lease cost of Rs.11.6 Bn. Meanwhile, there are 0.8 million square meters of unutilized floor area. Moreover, Public Institutions have rented out 1.7 Mn. square meters of their owned floor area, generating annual income of Rs. 6.2 Bn. from Public Institutions and Rs. 3.1 Bn. from private parties.

Table 2.2: Summary of the information of the buildings owned including rented out spaces and buildings rented/leased by the Public Institutions (As at 31st December 2021)

	Utilized Floor Area (sq. m.)			Unutiliz	Annual	Rented Out Space	
Public institution	Own	Rented/ Leased	Total	ed Floor Area (sq. m.)	Rental/ Lease Cost (Rs. Mn.)	Floor Area (sq.m.)	Annual Income (Rs. Mn.)
Government Agencies and Public Enterprises	46,041,744	2,680,256	48,722,000	596,855	11,439.6	970,225	8,564.2
Provincial Councils and Local Governments	11,137,528	200,502	11,338,030	188,345	148.4	721,656	749.6
Total	57,179,272	2,880,758	60,060,030	785,200	11,588.0	1,691,881	9,313.8

Note: This information does not include information of garages, quarters, circuit bungalows, rest houses and other such non - residential buildings

The building module under the NFAMS system will be implemented, in due course, and accordingly updated building data base will be created.

#### (d) Central Database - Land

The Asset Management Circular No. 03/2022 was issued on 07<sup>th</sup> January 2022 to collect the information to complete the creation of land database of the government. Accordingly, some Public Institutions submitted the land information, while 740 Public Institutions did not submit the information correctly. Also, 395 Public Institutions did not disclose the information of land.

Table 2.3: Summary of information of lands owned or rented/leased by the Public Institutions as at 31.12.2021

Pub	lic Institution / utilization of land	Are of Land (Hectares)			
Tota	al area of land	1,490,950			
	Of which Forests	1,125,700			
i	Utilized	1,474,711			
	Government Agencies	1,404,656			
	Public Enterprises	49,563			
	Provincial Councils and Local Governments	20,493			
ii	Unutilized	13,702			
	Government Agencies	8,826			
	Public Enterprises	4,468			
	Provincial Councils and Local Governments	407			
iii	Utilization not mentioned	2,537			
	Government Agencies	1,147			
	Public Enterprises	1,097			
	Provincial Councils and Local Governments	294			

The summary of the information of the land owned or rented/leased by the Public Institutions as at 31<sup>st</sup> December, 2021 is as given in the Table 2.3. Thus, total area of land owned or rented /leased by the Public Institutions is 1.49 Mn. hectares which includes 1.12 Mn. hectares of land covered with forest. The reported land area includes 1.47 Mn. hectares of utilized lands and 13,702 hectares of unutilized land. Utilization status of the balance 2,537 hectares of land has not been reported by the Public Institutions.

The land module under the NFAMS system will be implemented in due course, and accordingly updated land data base will be created.

# 2.2 Formulation and implementation of policies on Non-Financial Assets Management of the Government

#### (A) Managing the procuring of vehicles

Since mid-2019, the government suspended the purchasing of motor vehicles excluding utility vehicles, as instructed by the National Budget Circular No. 05/2019 issued on 24<sup>th</sup> September 2019. Thus, except for utility vehicles required for the development activities and other essential purposes and also the vehicles imported for the use of Sri Lanka Police, the existing motor vehicle fleet was utilized to meet the government's vehicle requirement, thereby without incurring additional costs to the Government. Identifying the requirement and economical use of existing utility vehicles of the Government, the Comptroller General's Office has recommended to the National Budget Department to grant approval to procure 46 utility vehicles, out of total requests received for purchasing of 54 utility vehicles during the year 2024.

#### (B) Resolving registered ownership issues of vehicles

The Comptroller General's Office identified that considerable number of vehicles which are used by some Public Institutions do not have the legal right of such vehicles and the legal possession is owned by another Public Institution. Therefore, Asset Management Circular No. 02/2017 issued on 21<sup>st</sup> December 2017 and Asset Management Circular No. 03/2018 issued on 10<sup>th</sup> October 2018, instructing to resolve registered ownership issues of motor vehicles. Thus, during year 2024, the Comptroller General's Office has resolved registered ownership issues of 319 vehicles. Accordingly, from year 2019 to 30<sup>th</sup> May 2025, the Comptroller General's Office has resolved registered ownership issues of 982 vehicles.

# (C) Disposal of luxury vehicles which impose a heavy burden on the Public Institutions as per the Government procurement procedure

To dispose the luxury vehicles which are not economical to use / not required for the use of respective Public Institutions, in accordance with the decision taken by the Cabinet of Ministers at its meeting held on  $02^{\rm nd}$  December 2024, Assets Management Circular No. 05/2024 has been issued on  $18^{\rm th}$  December 2024 instructing all the Public Institutions to dispose Petrol vehicles exceeding Engine capacity  $1800 {\rm CC}$  / Diesel vehicles exceeding engine capacity  $2300 {\rm CC}$  (except vehicles such as Double Cabs, Single Cabs, Vans, Buses , Lorries and Trucks etc.) after assessing the vehicle requirement of the respective Institution.

#### (D) Disposal or repair and use of vehicles not in running condition

To take appropriate measures to ensure the proper utilization and the timely repair and use or disposal of vehicles as required to prevent the ruination of these assets and loss of revenue to the Government, Assets Management Circular No. 05/2020 has been issued on 02<sup>nd</sup> October 2020 providing necessary instructions to all the Public Institutions. The necessity of adhering to the relevant instructions and proper utilization of vehicles with due maintenance and preventing careless usage has been emphasized by the Assets Management Circulars No. 04/2022 and No. 05/2024 also.

#### (E) Guideline for valuation of Non-Financial Assets

The Financial Regulations of the Government issued in year 1992 or circulars issued by the General Treasury did not provide instructions on valuation of Vehicles, Buildings, Land, Structures, Plant & Machinery and Office Equipment & Furniture of the Government. Hence, valuation policy for these assets was formulated by issuing the Assets Management Circulars No. 04/2018, No. 02/2019 and No. 05/2021. The Assets Management Circular No. 02/2024 provides instructions on valuation of vehicles incorporating the provisions on valuation of vehicles given by the previous circulars also. The valuation of all the Non-Financial Assets is recorded under the NFAMS.

#### 2.3 Revenue from sale of capital assets

As per the Fiscal Policy Circular No.01/2015(xii) dated 22<sup>nd</sup> March 2018, with effect from 01<sup>st</sup> January 2018, the Comptroller General has been assigned the function of Revenue Accounting Officer in respect of sale of capital assets of the Government Agencies. For this purpose, Asset Management Circular No. 03/2024 was issued on 28<sup>th</sup> May 2024 instructing to prepare revenue estimates for the year 2025 and obtaining revised revenue estimates for the year 2024. Further, Asset Management Circular No. 04/2024 was issued on 05<sup>th</sup> June 2024 to collect information of areas of revenue as at 30<sup>th</sup> June 2024, arrears collected in the first six months and waived off revenue during the relevant period and Asset Management Circular No. 06/2024 was issued on 19<sup>th</sup> December 2024 to collect information of arrears of revenue collected in the year of 2024 and waived off revenue during the relevant period.

Table 2.4: Sale of capital assets Revenue (Rs.Mn.)

Description	2020	2021	2022	2023	2024
Sale of capital assets - Vehicles	201.0	128.3	226.4	329.6	136.0
Sale of capital assets - Other	56.0	60.1	357.8	186.3	974.1
Total	257.0	188.4	584.2	515.9	1110.1

Revenue collected from disposal of vehicles declined to 136.0 Mn. in year 2024 compared to Rs, 329.6 Mn in year 2023. However, revenue collected from disposal of other assets increased to Rs. 974.1 Mn. in year 2024 compared to Rs. 186.3 Mn. in year 2023. Accordingly, total revenue collected from sale of capital assets has been increased to Rs. 1110.1 Mn. in year 2024, compared to Rs.515.9 Mn. in year 2023. Thus, progress of this total revenue collection in 2024 is 370% compared to basic total revenue estimate.

#### 2.4 Challenges and future goals

- I. Overcoming the obstacles and challenges faced with the establishment of centralized online Management Information System for the Non-Financial Assets management of the Government, the web-based Non-Financial Assets Management System (NFAMS) has been established with effect from 01st September 2023. The design, software development, implementation, improvement and maintenance of this NFAMS system is done by the human resource contribution of the Comptroller General's office and the Department of Information Technology Management. As the first module of this system vehicle module has been implemented with effect from 01st September 2023. The other modules in NFAMS will be implemented gradually, in due course. However, to implement the NFAMS system successfully, it is further challenging to improve the compliance of all the Public Institutions for the properly recording of real time data in this system.
- II. It is expected to successfully implement the NFAMS Management Information System to facilitate the Non-Financial Assets management of the Public Institutions (Government Agencies, Public Enterprises and Provincial Councils & Local Governments) and assist the Government policy formulation in order to strengthen the development framework by facilitating the Public Investment, issuing guidelines for the management of these assets including disposal of these assets, revenue generation, expenditure management and productive utilization of idle and underutilized assets, based on the updated information. For this purpose, cooperation of all the Public Institutions is required and it is challenging.
- III. Since the establishment of the Comptroller General's Office, insufficient staff due to obstacles faced in filling the required vacancies, has been a challenge in functioning of this institution.

Comptroller General

Opinion of Auditor General's is attached herewith.

### **Chapter 04 – Performance indicators**

# **4.1** Performance indicators of the Institute (Based on the Action Plan)

Specific Indicators	Actual output as a percentage (%) of the expected output			
	100% - 90%	75% - 89%	50% - 74%	
Creation of the Central Online database for Non - Financial Assets of the Government.		V		
Reporting and recording of information in Central Assets Register for Non - Financial Assets of the Government.		V		
Resolving legal ownership issues of the motor vehicles use by the Public Institutions.	V			
Management of motor vehicle fleet of the Government.	V			
Revenue collection from disposal of Non-Financial Assets of the Government Agencies	V			
Policy formulation for the Non - Financial assets management of the Government		V		
General Administration & Financial Management	√			

### Chapter 05 - Performance of the achieving Sustainable Development Goals (SDG)

### **5.1 Identified respective Sustainable Development Goals**

Goal	Targets	Indicators of the achievement	Progress of the Achievement to date
			0% - 50% 75% - 49% -74% 100%
Goal 6. Ensure availability and sustainable management of water and sanitation for all.	<b>6.6</b> By 2030, protect and restore water-related ecosystems, including mountains, forests, wetlands, rivers, aquifers and lakes.	<b>6.6.1</b> Change in the extent of waterrelated ecosystems over time.	Please refer 5.2
Goal 7. Ensure access to affordable, reliable, sustainable and modern energy for all.	<b>7.2.</b> By 2030, increase substantially the share of renewable energy in the global energy mix	<b>7.2.1.</b> Renewable energy share in the total final energy consumption.	Please refer 5.2
Goal 8. Promote sustained, inclusive and sustainable economic growth, full and productive employment and decent work for all.	8.1. Sustain per capita economic growth in accordance with national circumstances and, in particular, at least 7 per cent gross domestic product growth per annum in the least developed countries.	8.1.1. Annual growth rate of real GDP per capita.	Please refer 5.2
Goal 11. Make cities and human settlements inclusive, safe, resilient and sustainable.	11.3. By 2030, enhance inclusive and sustainable urbanization and capacity for participatory, integrated and sustainable human settlement planning and management in all countries.	11.3.1 Ratio of land consumption rate to population growth rate.	Please refer 5.2
Goal 12. Ensure sustainable consumption and production patterns.	12.7. Promote public procurement practices that are sustainable, in accordance with national policies and priorities.	12.7.1. Number of countries implementing sustainable public procurement policies and action plans.	Please refer 5.2
Goal 15. Protect, restore and promote sustainable use of terrestrial ecosystems, sustainably manage forests, combat desertification, and halt and reverse land	15.1. By 2030, ensure the conservation, restoration and sustainable use of terrestrial and inland freshwater ecosystems and their services, in particular forests, wetlands, mountains and dry lands, in line with obligations	<b>15.1.1.</b> Forest area as a proportion of total land area.	Please refer 5.2

degradation and halt biodiversity loss.	under international agreements.  15.2. By 2030, promote the implementation of sustainable management of all types of forests, halt deforestation, restore degraded forests and substantially increase afforestation and reforestation globally.	<b>15.2.1.</b> Progress towards sustainable forest management.	
Goal 17. Strengthen the means of implementation and revitalize the global partnership for sustainable development.	17.1. Strengthen domestic resource mobilization, including through international support to developing countries, to improve domestic capacity for tax and other revenue collection.	<b>17.1.1.</b> Total government revenue as a proportion of GDP, by source.	Actual revenue from sale proceeds of Non- Financial Assets as a percentage of estimated revenue is 100 %

#### 5.2 Success and challenges in achieving the Sustainable Development Goals

The Sustainable Development Goals (SDGs) introduced by the United Nations, targeting the economic as well as social developments, are required to be achieved by all the Public Institutions in Sri Lanka. The scope of the Comptroller General's Office is not directly focused to the SDGs. However, the Comptroller General's Office can comply with assisting to achieve the objectives of the SDGs through efficient management of the Non - Financial Assets ensuring the productive use of these assets. Accordingly, the Comptroller General's Office contribute for achieving SDGs in Sri Lanka as identified in 5.1 above, by maintaining a central database for Non - Financial Assets of the Government, formulating and implementing the assets management policies and functioning as the Revenue Accounting Officer for the sale of capital assets of the Government Agencies.

Non-compliance by the Public Institutions for circulars issued by the Comptroller General's Office has been identified as a main challenge.

#### **Chapter 06 - Human Resource Profile**

#### **6.1** Cadre Management

	Approved Cadre	<b>Existing Cadre</b>	Vacancies / (Excess)
Senior	12	05	07
Tertiary	01	00	01
Secondary	18	17	01
Primary	10	06	04

# 6.2 Brief explanation on how the shortage/excess in human resources has been affected to the performance of the institute.

Vacancies should be filled as per the service requirement to ensure the efficiency of functioning of Comptroller General's Office.

### **6.3** Human Resource Development

Name of the Program	No. of staff trained	Duratio n of the program	Total Investment (Rs'000)		Nature of the Program	Output / Knowledge Gained
