2. Introductory Note on the Budget Estimates 2025

The Appropriation Bill containing the expenditure estimates for the year 2025 was tabled in the Parliament on 09th January 2025. The Bill, after amending for the inclusion of budget proposals was subsequently passed by the Parliament as the Appropriation Act No. 03 of 2025 on 21st March 2025. These budget estimates present a detailed explanation pertaining to the expenditure estimates, which were summarily included in the Appropriation Act No. 03 of 2025 and the revenue estimated to be collected during the year 2025, in structured manner, in terms of the standard expenditure and revenue codes. The Appropriation Act consists of three schedules and a summary of the estimates under each schedule is given below.

First Schedule	- Indicates the expenditure of General Services of the Government by Programme which are authorized by the Appropriation Act.	Rs. 4,218,248,018,000
Second Schedule	- Indicates the expenditure of the Government, authorized by law, which should be charged on the Consolidated Fund.	Rs. 4,616,751,982,000
Third Schedule	- Indicates the expenditure related to Advance Accounts Activities	Rs. 7,000,000,000

This Publication of detailed Budget Estimates has been prepared in accordance with the format stipulated in Financial Regulations 1992 and submitted as an appendix to the Appropriation Act. The expenditure estimates summarily presented in the Appropriation Act are structured under the standard revenue and expenditure codes and are presented as a detailed explanation in these estimates.

As it is required, in terms of the Section 19 and 20 of the Public Financial Management Act No. 44 of 2024, to present detailed annual revenue and expenditure estimates in accordance with the prescribed formats to Parliament in addition to the Appropriation Act, this publication has been prepared in conformity with that requirement and structured as follows.

1. Revenue Estimates
2. Expenditure Estimates

1. Revenue Estimates

The total revenue including tax revenue, non-tax revenue, Provincial Councils' revenue and grants is estimated to be at Rs. 5,126 billion for 2025. Table 3.2.1, Table 3.2.2 and Table 3.2.3 indicate the provisional revenue for 2024, revenue estimates for 2025 and projections for 2026 and 2027.

The statutes and regulations relevant to each revenue code are given in Table 3.1.1, Table 3.1.2 and Table 3.1.3. The revenue estimates for 2025 were based on key factors including the actual revenue collected in 2024, revenue gains expected from the new measures, developments of the macro-economic variables, and the staff's best judgment about the performance of the revenue.

The broad assumptions pertaining to the preparation of revenue estimates are as follows.

- The economy is expected to grow by 3 - 5 percent in 2025 supported by both domestic and external fronts. The growth is expected to expand in all three sectors of the economy, i.e. Industry, Services and Agriculture.
- The average inflation is expected to maintain at mid single-digit level at 5 percent level in 2025.
- Unemployment rate is expected to be below 5.0 percent in 2025.
- Exchange rate is expected to be stable in 2025.
- Increase of import-based taxes due to relaxation of motor vehicle imports.
- Implementation of the Public Financial Management Act to improve fiscal policy for better macroeconomic management.
- Strengthening of revenue administration strategies implemented in Inland Revenue Department (IRD), Sri Lanka Customs (SLC) and Excise Department.
- Increase of tax compliance at IRD with the implementation of the strategy of opening a tax file for all individuals over 18 years of age, introduction of mandatory e-filing for individuals, implementation of the VAT compliance programme, removal of simplified Value Added Taxes (S-VAT), increasing audit efficiency, strengthening of tax administration strategies implemented at IRD.

The assumptions and risks associated with the revenue estimates are detailed in the Budget, Economic and Fiscal Position Report 2025 issued under Section 49 of the Public Financial Management Act, No. 44 of 2024.

2. Expenditure Estimates

(a). General Estimates

General Estimates consist of annual appropriations made for the general services under the First Schedule and the annual appropriations made for the expenditure of the Government authorized by the Constitution and other laws to be charged, under the Second Schedule of the Appropriation Act.

(b). Advance Accounts Activities

The limits fixed for the advance accounts activities indicated under the Third Schedule of the Appropriation Act is included in this part. Difference between the receipt of the advance accounts activities and the expenditure of the same will be the annual expenditure charged to the consolidated fund.

2.1. Formulation of government expenditure estimates

Guidelines and instructions for the preparation of expenditure estimates 2025 were issued as usual by the National Budget Circular No. 02/2024 dated 12.08.2024. However, presentation of the budget 2025 was delayed owing to the dissolution of Parliament to conduct the general election. After paying attention to the changes happened following the general election, further instructions / guidelines were issued to new ministries on budget preparation by the National Budget circular No. 04/2024 dated 03.12.2024. The 2025 Budget Estimates have been prepared based on the gross estimates submitted by each expenditure institution in accordance with those instructions / guidelines and some adjustments have been made to the estimates prepared by spending agencies, in view of the macro fiscal framework agreed with the IMF, policy priorities, borrowing limits and expected revenue.

Further, 2025 Budget Estimates have been prepared in accordance with the medium term expenditure framework 2025 - 2027 and in compliance with the primary expenditure ceiling of the government, i.e. 13 percent of estimated nominal Gross Domestic Product for the financial year 2025, stipulated in the sub Section 15 (1) of the Public Financial Management Act No. 44 of 2024.

When preparing 2025 Budget Estimates, commencement of new projects have been restricted in view of the highly restrictive fiscal space. Further, Budget Estimates for the year 2025 have been prepared discouraging the expansion of office spaces, purchase of new office equipment, new recruitments, acquisition of lands for new projects except for ongoing infrastructure projects and purchase of new vehicles other than essential utility vehicles. Priority has been given to foreign funded projects, enabling those projects to operate efficiently and without delays, in a manner that people are benefited.

2025 detailed Budget Estimate have been prepared after including the provisions allocated for each Object Code by the Vote on Account, passed by Parliament on 06.12.2024. Accordingly, operation of Vote on Account will cease with the enforcement of Appropriation Act for the year 2025. Expenditure incurred by Budget Entities including the expenditure incurred under the Vote on Account, during the entire finance year 2025 should not exceed limits of these detailed Budget Estimates.
