## **Project Summary – Proposed Caustic Soda and Chlorine (Chlor-Alkali) Plant at Paranthan, Kilinochchi**

Paranthan Chemicals Company Limited (PCCL) is a 100% state-owned, profit-making enterprise operating under the purview of the Ministry of Industry and Entrepreneurship Development. The PCCL is primary manufacturing facility, located in Paranthan, Kilinochchi District, operated successfully from 1956 until 1985. The facility was destroyed during the conflict in 1985. The Government has allocated 30 acres of land for re-establishing the manufacturing complex at Paranthan.

PCCL has completed a preliminary feasibility study for the re-establishment of a Caustic Soda and Chlorine (Chlor-Alkali) manufacturing plant. In addition to Caustic Soda and Chlorine, the proposed facility will produce Poly Aluminium Chloride (PAC), Hydrochloric Acid (HCl), and Sodium Hypochlorite (NaOCl) as value-added downstream products.

The project is proposed to be implemented under a Public-Private Partnership (PPP) model. The scope of the project includes comprehensive consultancy services such as detailed engineering design, preparation of drawings, technical specifications, Bills of Quantities (BOQs), tender documentation and assistance, as well as construction supervision.
